PUP Laguna Beach, a non-profit corporation, is the fundraising arm of Laguna Beach Animal Shelter, dedicated to bridging the gap between City funding and the special needs of our animals.

PUP Laguna Beach directs fundraising efforts to ensure that the animals receive the best care possible including medical attention, neutering/spaying, and behavioral reinforcement before they are adopted. In addition to fundraising, we are involved in animal issues that are brought to the attention of the City Council, along with working with the Police Department and Animal Control concerning any animal problems within our communities of Laguna Beach and Laguna Woods.
